- The meeting was called to order at 3:10 p.m. when Linda Norbut Suits took attendance.
- Ms. Suits reviewed the situation for Committee. At the April 4, 2019, the voting members of the Committee were unable to come to consensus and select and an artist for the Commission.
- She then gave a brief overview of the four proposals presented to the Committee. After reviewing statute and policy, Ms. Suits did not ask the artists to provide any additional information for the Committee. There would be an opportunity for a small amount of design adjustment when the artist was under contract.
- Olive-Harvey College President Kimberly Hollingsworth, who was unable to attend the earlier selection meeting, provided her impression of the proposals.
- The Committee members then voted and selected Barbara Cooper and the winner of the commission.
- Ms. Suits stated she would send the selection memorandum to the Committee members for signature. It would then be forwarded to the Illinois Arts Council for concurrence. When concurrence is received, Ms. Suits will contact the artists with the results and place Ms. Cooper under contract.
- The meeting adjourned at 3:30.
